Notes:

1 CSI will act as the single counterparty of a back-to-back total return swap transaction (the “**CSI Back-to-back TRS**”) to be entered into by CSI in connection with a total return swap order (the “**CSI Client TRS**”) placed and fully funded by its ultimate clients (the “**CSI Ultimate Clients**”), by which CSI will pass the full economic exposure of the Offer Shares placed to CSI to the CSI Ultimate Clients.

As confirmed by CSI and CLSA, CSI will hold the legal title and beneficial interest in the Offer Shares but will contractually agree to pass on the full economic exposure and return of the Offer Shares to the CSI Ultimate Clients, on a non-discretionary basis. The CSI Ultimate Clients may exercise their early termination rights to terminate the CSI Client TRS at any time from the trade date of the CSI Client TRS which should be on or after the date on which the Offer Shares are listed on the Stock Exchange. Upon the final maturity or termination of the CSI Client TRS by the CSI Ultimate Clients, CSI will dispose of the Offer Shares on the secondary market and the CSI Ultimate Clients will receive a final termination amount of the CSI Back-to-back TRS which will have taken into account all the economic returns or economic loss in relation to the Offer Shares and the fixed amount of transaction fees of the CSI Back-to-back TRS and the CSI Client TRS. Due to its internal policy, CSI will not exercise the voting right of the Offer Shares during the terms of the CSI Back-to-back TRS.

To the best knowledge of CSI after making all reasonable enquiries, (i) each of the CSI Ultimate Clients is an independent third party of the Company, the Company’s subsidiaries and substantial shareholders, CSI, CLSA and the companies which are members of the same group of CLSA, and (ii) CSI is not a collective investment scheme which is not authorised by the SFC nor is expected to hold the Offer Shares on behalf of such scheme.

2 PRC investors are currently not permitted under applicable PRC laws to participate directly in initial public offerings in Hong Kong. However, PRC investors are permitted to invest in products issued by appropriate domestic securities firms licensed to undertake cross-border derivatives trading activities. In connection with such products, the licensed domestic securities firms, through their Hong Kong affiliates, may participate in Hong Kong initial public offerings either as placees or cornerstone investors (the “**Cross-border Derivatives Trading Regime**”).

Huatai Securities Co., Ltd. (“**Huatai Securities**”), the shares of which are listed on both the Shanghai Stock Exchange (stock code: 601688) and the Stock Exchange (stock code: 6886), is one of the domestic securities firms licensed to undertake cross-border derivatives trading activities. Huatai Securities entered into an ISDA agreement (the “**ISDA Agreement**”) with its indirectly wholly-owned subsidiary, Huatai Capital Investment Limited (“**HTCI**”) to set out the principal terms of any future total return swap between Huatai Securities and HTCI.

HTFH is one of the Overall Coordinators in connection with the Global Offering. Pursuant to the ISDA Agreement, HTCI, which intends to participate in the Global Offering as a placee, will hold the Offer Shares on a non-discretionary basis as the single underlying holder under a back-to-back total return swap (the “**Back-to-back TRS**”) to be entered by HTCI in connection with a Client TRS (as defined below) placed by and fully funded (i.e. with no financing provided by HTCI) by the Huatai Ultimate Clients (as defined below), by which, HTCI will pass the full economic exposure of the Offer Shares to the Huatai Ultimate Clients, which in effect, HTCI will hold the beneficial interest of the Offer Shares on behalf of the Huatai Ultimate Clients.

HTFH, the Overall Coordinator, and HTCI are indirectly wholly-owned subsidiaries of Huatai Securities. Accordingly, HTCI is considered as a “connected client” of HTFH pursuant to paragraph 13(7) of the Placing Guidelines.

Pursuant to the Cross-border Derivatives Trading Regime, the onshore investors (the “**Huatai Ultimate Clients**”) cannot directly subscribe for the Offer Shares but may invest in derivative products issued by domestic securities firms licensed to undertake cross-border derivatives trading activities, such as Huatai Securities, with the Offer Shares as the underlying assets. Instead of directly subscribing for the Offer Shares, the Huatai Ultimate Clients will place a total return swap order (the “**Client TRS**”) with Huatai Securities in connection with the Global Offering and Huatai Securities will place a Back-to-back TRS order to HTCI on the terms of the ISDA Agreement. In order to hedge its exposure under the Back-to-back TRS, HTCI participates in the Global Offering and subscribes the Offer Shares through placing order with HTFH during the International Offering.

To the best knowledge of HTCI after making all reasonable enquiries, (i) each of the Huatai Ultimate Clients is an independent third party of the Company, the Company’s subsidiaries and substantial shareholders, HTFH, HTCI, and the companies which are members of the same group of companies as HTFH, and (ii) HTCI is not a collective investment scheme which is not authorised by the SFC nor is expected to hold the Offer Shares on behalf of such scheme.

The purpose of HTCI to subscribe for the Offer Shares is for hedging the Back-to-back TRS in connection with the Client TRS order placed by the Huatai Ultimate Clients. Pursuant to the terms of the contracts of the Back-to-back TRS and the Client TRS, during the tenor of the Back-to-back TRS and the Client TRS, all economic returns of the Offer Shares will be passed to the Huatai Ultimate Clients through the Back-to-back TRS and the Client TRS and all economic loss shall be borne by the Huatai Ultimate Clients. HTCI will not take any economic return or bear any economic loss in relation to the Offer Shares.

Investment in the Back-to-back TRS and the Client TRS is similar to the investment in a qualified domestic institutional investor fund (“**QDII**”) in the way that the Huatai Ultimate Clients would reap all the economic benefits of the underlying Offer Shares, except that a QDII fund would pass through the exchange rate exposure on both the notional value of the investment and the profit and loss of the investment. In contrast, the profit and loss of the Back-to-back TRS and the Client TRS factor into account the fluctuation in RMB exchange rate upon termination of the Client TRS by converting the profit and loss using the current exchange rate at the time of termination. As such, the Huatai Ultimate Clients would bear the exchange rate exposure of the profit and loss on settlement date.

The Huatai Ultimate Clients may exercise an early termination right to terminate the Client TRS at any time from the issue date of the Client TRS which should be on or after the date on which the Offer Shares are listed on the Stock Exchange. Upon the termination upon maturity or early termination of the Client TRS by the Huatai Ultimate Clients, HTCI will dispose the Offer Shares on the secondary market and the Huatai Ultimate Clients will receive a final termination amount of the Back-to-back TRS which should have taken into account all the economic returns or economic loss in relation to the Offer Shares. If upon the maturity of the Client TRS, the Huatai Ultimate Clients intend to extend the investment period, subject to further agreement between Huatai Securities and the relevant Huatai Ultimate Clients, the term of the Client TRS could be extended by way of a new issuance or a tenor extension. Accordingly, Huatai Securities will extend the term of the Back-to-back TRS by way of a new issuance or a tenor extension.

It is proposed that HTCI will hold the legal title and the voting right of the Offer Shares by itself, and pass through the economic exposure to the Huatai Ultimate Clients, each being an onshore client who places a Client TRS order with Huatai Securities in connection with the Global Offering. Due to its internal policy, HTCI will not exercise the voting right of the Offer Shares during the tenor of the Back-to-back TRS.

During the life of the Client TRS and Back-to-back TRS, HTCI may continue to hold the Offer Shares in its custodian account, or to hold some or all of the Offer Shares in a prime brokerage account for stock borrowing purposes.

As permitted under the contractual arrangement with the Huatai Ultimate Clients, HTCI will lend out its holding of underlying Offer Shares in the form of stock borrowing loans consistent with market practice to lower its finance costs, provided that HTCI has the ability to call back the Offer Shares on loan at any time in order to satisfy its obligations under the Back-to-back TRS to ensure the economic interests to be passed to the Huatai Ultimate Clients will remain unchanged.
